Dear Friends,

We hope this letter finds you and your family safe and healthy. We thank God for continuing to bless us with opportunities, even in the face of the ongoing pandemic, to advance His cause here in Hampton. There is certainly much more that can and must be done in our part of the world to bring glory to our God and Savior.

One goal we have set is to complete the renovation of our meeting place by the end of this year. In order to accomplish this, we have embarked upon a two-pronged approach: 1). Solicit free-will donations from friends like you and 2). Apply for a bank loan from a local institution.

Our estimate of expenses for this project is \$335,895 (see enclosure). Before going to the bank, we are appealing to our brethren and friends for help so that the amount requested from the bank can be minimized. To date we have been blessed to raise \$70,478 of the needed amount.

Please carefully consider a tax deductible contribution to this project, and please pray for us. Visit us at [peninsulacofc.org/building](http://peninsulacofc.org/building) for more information on the project and to give online to the work. Your donations can also be made via check by mailing them to:

Thank you for your consideration of this matter.

The elders,

Chris Driver

Ronald Jones
